FOR IMMEDIATE RELEASE

ST. PATRICK'S DAY ACTIVE PICK-UP & DROP-OFF ZONE

Seal Beach, CA – The Seal Beach Police Department is preparing for St. Patrick's Day, Thursday, March 17, 2022. St. Patrick's Day celebrations typically bring large crowds to the Main Street pubs and restaurants. As such, there will be additional Police Officers conducting foot patrol and DUI enforcement.

In an effort to reduce the occurrence of drunk driving, increase public safety, pedestrian safety, and facilitate a safe and fun St. Patrick's Day, an "Active Pick-up and Drop-Off Zone" has been designated for the Main Street and Old Town area. Active Pick-Up and Drop-off Zones create a designated area for rideshare vehicles and designated drivers to safely pick up and drop off riders.

The Active Pick-up and Drop-Off Zone will be in the 900 block of Ocean Avenue, between Main Street and 10th Street along the south curb (next to Eisenhower Park). The zone will be active on March 17th from noon until 2:30 AM. The Seal Beach Police Department has partnered with rideshare companies Uber and Lyft, and rideshare services on Main Street will be directed to the Active Pick-up and Drop-Off Zone on St. Patrick's Day. The attached map shows the use area, highlighted in yellow.

The goal of the Seal Beach Police Department is to provide a safe and enjoyable St. Patrick's Day celebration.

If you have any questions, please contact the Seal Beach Police Department at (562) 799-4100 and follow the SPBD on social media @sealbeachpolice.
